Przy składaniu zamówienia, zawsze należy zaznaczyć warianty: POŁYSK lub MAT. Jeśli informacja ta nie zostanie zawarta, wykonany zostanie połysk. Jeżeli Klient w zamówieniu określi lakier tylko słowami „czarny” lub „biały”, to otrzyma domyślnie CZARNY RAL 9005 lub BIAŁY RAL 9003.

When placing an order, always specify the GLOSS or MAT finish. If this information is not provided, gloss will be used as standard. If the customer specifies only "black" or "white" lacquer, then as standard the order will be made in BLACK RAL 9005 or WHITE RAL 9003.
